

What is an Owner Occupied Housing Rehabilitation Program?

The City of Geneva has received funding through the Nebraska Department of Economic Development (NDED) to establish an Owner-Occupied Housing Rehabilitation Program. Eligible homeowners may receive assistance to make structural, mechanical, electrical, weatherization and plumbing improvements to their homes.

How do I know if I'm eligible?

There are certain eligibility requirements, including income, assets, and homeownership. Mobile homes and rental properties are not eligible for participation in the program.

Will I have to repay the assistance?

Conditional Grant. Very low income households will qualify for a 100% Conditional Grant that will be forgiven after 5 years if owner does not move, sell or rent their property within the 5-year affordability period.

How much assistance is available?

Financial assistance per household generally ranges from \$5,000 - \$23,000 per unit. The maximum per housing unit is limited to \$24,999. This limit unfortunately may exclude certain homes from participating in the program. For example, if a home will not meet basic standards after injecting \$24,999 in assistance, then the home will not be eligible for the program.
